

NICHE STARTER PACKS

Hello!

Thank you for buying my ***Vision Boards for a New Life*** content. This bundle has one or more Canva Templates.

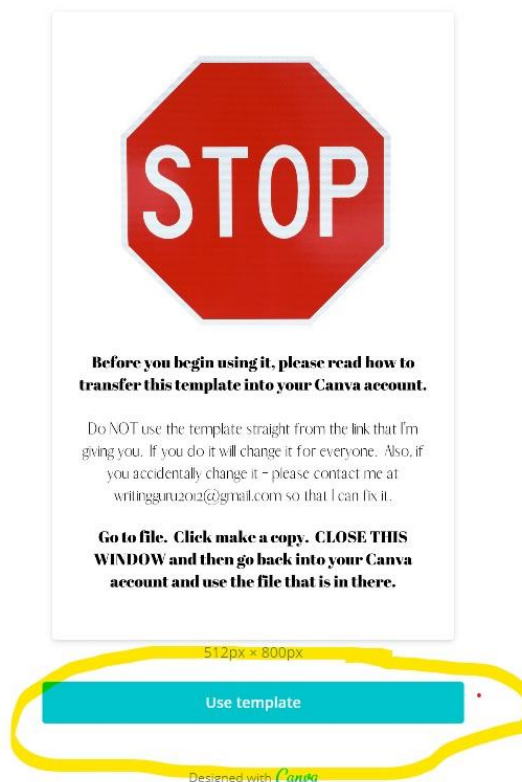

IMPORTANT! Before you begin using the template, please read the following page to learn how to transfer the templates to your Canva account.

You'll find the templates below.

Canva has a new feature so that you'll only be able to use it from template. Here is what it looks like:

**A template created by

At the bottom you'll see a button that says, "Use template" – as long as it says that you'll be copying this into your dashboard.

If it says anything else, you'll have to follow the steps below and copy the Canva template into your dashboard.

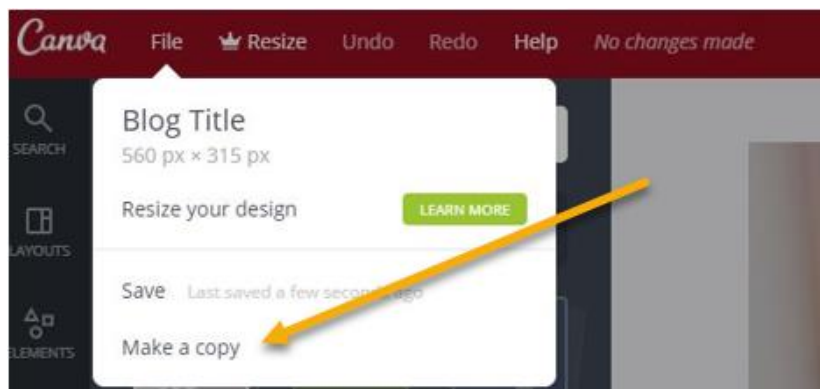

Do NOT use the template straight from the link above. If you do, it will change the template for everyone. If you accidentally change it, please contact me at writingguru2012@gmail.com so that I can fix it.

Here are the steps to transfer the templates to your account:

1. Open your Canva account.
2. Click the links above.
3. In the navigation window on the far left, click "File"

4. In the drop-down box, click "Make a copy".

5. Once you click Make a Copy, a new window will automatically open with the copy. That is the one you're going to make your changes in.
6. Close the window you're in now, leaving the new window open.
7. Go to the new copy and rename it to something recognizable to you.

At this point I usually change to my brand colors and then I'll make another copy when I'm done so that I can keep the format of the template that I want.

If you have any questions, please let me know.
